Timing & Briefing

Race Briefing

There will be a race briefing before each race. Please listen carefully to all announcements as any last-minute changes will be addressed at his point.

Timing

Timing antennas will be positioned at the start and finish lines Whilst we endeavour to provide you with all your timing splits, occasionally this is not always guaranteed due to a chip misreading or error on the antenna. You' will however receive a total finish time providing we can see your race number when you cross the finish line. If you withdraw during the event, make sure to return your timing chip, otherwise we will think you are still on course!
