SEEDING & START ZONES

Seeding Placement

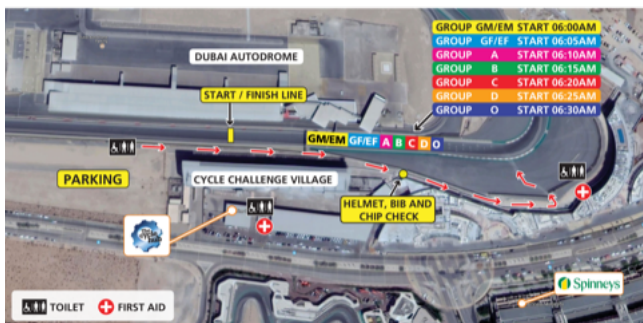

- If you would like to change your seeding, you can only move down a zone (and start later).
- Cyclists may not move up a zone.
- If a cyclist moves up a zone it will result in **DQF** (Disqualification). E.g. if a cyclist is seeded in zone B and would like to change their zone, they may ride in C or D etc...but not A.
- If on the day of the Cycle Challenge, you would like to change from the **92km ride to the 53km ride** you are able to do so. You will need to start in 'Seed S'. **However, a 53km rider may not switch to a 92km distance.**

As we start at 6am and the glorious Dubai sun has not quite risen we suggest having a light on your bike.

Riders should be in their start zone by 5.30am

Positions within each start zone are on a first-come-first-served basis.

The Spinneys Dubai 92 Cycle Challenge starts at 6am sharp.

Start Zones

All cyclists have been assigned a start zone indicating their starting group and their starting time. Your Start Zone is located on your bib, your race number is prefixed with a letter, the letter indicates where your Start Zone is located.
