■ LOCATION/DIRECTIONS

DUBAI

The hotel is located directly opposite Dubai International Airport T1, with very easy access and is approx 20 min away from the start point of the Coast to Coast Cycle Challenge start point in Meydan.

To get to the start of the challenge from Le Meridien Airport Hotel : Take a u-turn on Airport Road back towards Abu Dhabi by taking a left in to Dubai International Airport T1 and continue down to the airport road again at the traffic light. Drive on to flyover Garhoud Bridge. Just past Wafi City, you take the flyover to Al Ain (E66) and Ras Al Khor to go direction Nad Al Sheba. You will go past Business Bay with the Ras Al Khor Creek on your left side and continue over Al Khail Road and see the signs for Meydan/ Nad Al Sheba to your right just after the bridge. Take this turn and continue straight until you reach the roundabout at the end of the road where you will have passed Meydan on your left and follow directions for parking from there.

Distance from Dubai Airport to Hotel: ± 15km. Drive Time: 20 mins

FUJEIRAH

Travel time from Fujairah back by bus will be approx 1hour and 45 min. ± 160 km

■ YOUR BIKE BAG

Your hotel should be able to help you with the transfer and storage of your bike bag and we can find a solution for the bike bags to be with you in Fujairah should you wish to stay there for your last night, or leave it at the hotel to pick up on your return in Dubai. If you wish to stay in Fujairah Le Meridien Al Aqah you will have to make your own arrangements with regards to your bike and transfer if you do not need to go to the airport the following day.

■ ADDITIONAL POSSIBLE RIDES

If you plan to arrive a little earlier and want to do a test ride to check your bike and your legs, we can organise a cycle ride for you at either the District OneCycle Track or at the Al Qudra Cycle Track - both are traffic free and for use exclusively by bicycles. The rides are supported with transport of bike and rider, water, electrolytes and some fruit as well as repair kit tools/ pump*

(*no technical support or spare parts like innertubes etc for bikes available on these rides. You are responsible to have these with you or provide to the support car.)

■ WEATHER CONDITIONS

UAE daytime average temperatures are 30/32°C and evening lows are around 20°C with a chance of humidity. (Please ensure you have sufficient clothing to keep you cool and Nutrition on your bike to keep you going. The areas are remote. We do supply you with a support vehicle but you know what your own body needs and likes. We can take these in the car for you if you supply them for the ride.

The deserts and mountains of the UAE are wide open spaces with virtually no shade from the sun, consider good sun protection.

Please join our facebook group Urban Ultra Dubai and Dubai Coast to Coast Challenge so that you are kept up to date with all the latest information.
