SWIM COURSE

Swim

The swim will be a non-wetsuit swim. Only race legal speedsuits (no rubber or neoprene) will be permitted. All athletes must wear the swim cap provided and start in their allocated wave. Only swim goggles or masks are permitted. No other swim aids of any kind are permitted. Only official lifeguards on kayaks and rescue jet skis are allowed on the swim course. Swimmers may use the kayaks and jet skis for aid should they require assistance so long as there is no forward momentum, which would result in disqualification.

Race numbers

6:00am - 7:00am

At your corresponding allocated number on the run racks you will find your drawstring bag and race chip. If it is not there please seek a marshall.

Your bag will contain:

Timing chip & ankle strap

You need to attach the timing chip to your LEFT ankle. Your chip will be collected from you at the finish line - if you don't return your chip at this point you will be liable for a fee of AED100 – so please remember to return it! (Note that we are not using the ChampionChip system – so please use the timing chip given to you at registration – any other chip will not work).

Timing , briefing

Race Briefing

There will be a short race briefings. Please always listen carefully to the announcements as any last minute changes will be addressed.

Timing

Timing antennas will be positioned at the start, and at the finish line. We'll endeavour to provide you with all your timing splits, but this is not guaranteed. Very occasionally, a timing chip may not be read or a timing antenna may fail and timing splits may not be available. You'll receive a total finish time providing we can see your race number when you cross the finish line. If you withdraw during the event please make sure you return your timing chip, otherwise we will think you are still out there racing!

results

Results

A set of results will be available on website www.hopasports.com as soon as possible after the event. We hope they'll all be perfect – but any queries relating to them should be emailed to us by 18th of October 2020, after which time all results will be deemed as final and complete. Each participant will be required to wear face masks up to 30s before their race start.

They will also be issued with a new mask / face buff 30s after finishing the race.

- ✓ Drastically reduces the spread of the infection
- ✓ Helps flatten the curve
- ✓ Reminds people to keep their social distance
- ✓ Minimizes time without mask in potential large gathering areas
- ✓ Buffs given out at end of race to participants to identify them and to help manage people flow at finish area
- ✓ Medical professionals on site to ensure all people are safe and healthy

Hand Sanitizers

There will be hand sanitizers throughout the start and finish line with active encouragement to use particularly at the finish area

- ✓ Obligatory use at start entry
- ✓ Obligatory use at finish line
- ✓ Participants not allowed to leave finish area without a mask or use of hand sanitizer

Designated, trained staff officials

At each event there will be staff officials; COVID Monitors, who at all times will be monitoring all staff, participants and spectators to adhere to current government guidelines and UAE triathlon federation requirements.

- ✓ Social gathering controls
- ✓ Ensures race participants keep their distances throughout the event
- ✓ All staff will be wearing protective clothing
- ✓ Disqualification measures if rules broken

Participant Waiver

All entrants will be required to self certify before the event with records being kept for 21 days for traceability purposes.

- ✓ Waivers individually checked with questions designed to flag potential risk
- ✓ Allows checks to take place to ensure safety for the event
- ✓ Questions chosen and picked against WHO and medical guidelines
